

Donations

The Library would like to thank you for your donations, which are greatly appreciated. Without donations we would not have as many materials available to our patrons. HOWEVER, due to our limited storage space and few methods of disposal (dumpster), the Library must be selective in accepting donations of books and materials.

The Library's criteria in accepting donations of books are as follows:

1. The condition of books must be good (clean in good repair).
2. The library cannot accept books that are dirty or have a strong odor, books that are moldy or contain insect droppings, or books that are falling apart.
3. The library will accept magazines dating back one year.
